Herzlich Willkommen! We are the oldest Hofbräuhaus outside Europe since 1968. We are also the only family-owned Hofbräuhaus in the world. All our Biers are directly imported from Bavaria and the Alpine region and brewed according to the Bier Purity Law from 1516 using pristine spring water from each region. Part of our ethos is to support family and independent businesses – locally and internationally. Our food is freshly cooked every day with original ingredients from Germany, Austria & local products from Australia.
